Sponsorship Opportunities

Authors & Illustrators

Lowell's annual Authors and Illustrators' Night is an evening of creativity, storytelling, writing, & drawing for Lowell students.

We are raising funds to support bringing children's book authors & illustrators for interactive workshops to enrich students' learning experience.

Meet the Masters

Meet the Masters teaches art history & allows students to create their own representation of the artists they learn about.

This event is highly anticipated by students, teachers, & parents every year.
